

## 2021 WHS Representative Sport Covid plan 2021

- Any student/parent/carer/official who is feeling sick or displaying symptoms of Covid virus is NOT to attend any sporting events
- Any student /parent/carer/official who has attended any of the reported 'hotspot' locations in Australia listed on the NSW Health Website in the 14 days prior to the event are not to attend an event.
- If travel is required to attend the event car-pooling is discouraged. All students are to follow hand sanitising protocols before travel either on bus or private transport.
- There can be no sharing of drinks, food or use of communal bubblers on the way or at the sporting event location
- All spectators and officials are to maintain a 1.5 m social distancing unless they come from the same household. Players are also to maintain a 1.5 m social distancing from officials and spectators, unless they come from the same household
- Students are not permitted to mix with students from other schools outside of games. Students are not to shake hands or hug students from other schools
- Supervising staff are to ensure they take adequate hand sanitiser and sanitiser spray to cover all WHS students and officials for the length of the event. They are to ensure hand sanitiser is regularly used by all WHS students and officials, particularly in competitive game environments. Regular hand washing is to be encouraged along with sanitising of equipment used.
- Uniforms for events are to be issued prior to the event to allow players to be dressed prior to arriving at sporting venues. Uniforms are not to be shared in any circumstance. Upon conclusion of the activity all uniforms must be collected and appropriate washing organised by the supervising teacher.
- Equipment is to be clean and sanitised before and regularly during any event. In the case where equipment must be shared : cricket helmets, pads etc. Items must be sanitised after each use. Upon conclusion of the activity the supervising teacher ensures all uniform and equipment is sanitised after each use. Personal equipment such as shin pads must not be shared and each player must supply their own.
- Changerooms should not be needed to be used however, toilet use requires that all people at the venue should queue outside the facility to maintain social distance at all times
