

School representation procedure

This procedure outlines expectations for students to maintain eligibility to participate in extracurricular school related activities. Representing our school is a privilege earned by our students who embody our school values and principles. Students demonstrate these principles through their commitment to their studies, attendance at school and their adherence to school policies and procedures. We believe that it is important to set high expectations of students in relation to academic effort, personal presentation, attendance and behaviour in order for us to uphold our high expectations and to ensure every student has the best chance of success.

School representation includes any activity where the student represents the school. Examples include but are not limited to: student leadership, inter-school sport including representative sport, debating teams, forums, competitions and performances. Extra-curricular activities may also fall under this category and include any activity that is additional to the core curriculum being delivered. Examples include, but are not limited to: special events in and out of school time, such as school socials or year level events, camps, additional courses, and specialised excursions which do not relate to the direct delivery of curriculum programs.
