Wellbeing at Woolgoolga High School

Wellbeing is inextricably linked to both effective teaching and learning. At Woolgoolga High School, student wellbeing is of the highest priority. Our programs are designed to support and enhance the physical, social, emotional, spiritual and cognitive wellbeing of all students.

We embrace individual differences and celebrate the rich diversity within our school and the wider community. Woolgoolga High School prides itself on being an inclusive and supportive environment where all students are nurtured as they learn and have their voices acknowledged.

Our school is a place where students can seize opportunities to develop resilience and a sense of identity and belonging to become confident, empathetic and responsible citizens. Through our positive awards system we provide opportunities for all students to enjoy success and recognition, so they feel they are valued members of the school community.

Our school motto, Success Crowns Effort, is embedded into every aspect of our school community, both inside and outside the classroom. Wellbeing and success are built on forming positive relationships and connectedness to others.

We provide a positive, safe and caring learning environment which recognises each student and encourages them to reach their potential through our connections with community and country.

We acknowledge the Gumbaynggirr people as the traditional custodians of the land on which our school stands, and pay our respects to Elders both past, present and emerging.

Success Crowns Effort – house points / positive awards system

House Points

Woolgoolga High School supports and celebrates students, their achievements, their contributions to our community and their good behaviour through our house points system.

House points are awarded to students for many reasons including, but not limited to:

- Attendance
- Effort and achievement in class
- Demonstrating respect and kindness
- Wearing the uniform with pride
- Participating in school activities
- Representing our school in external contests and events

Points are counted to both the individual student's merit level and their house's points tally.

As students earn more points, they will progress through the bronze, silver and gold awards. The house with the most points at the end of the year is recognised with an off-site celebration.

Students and parents can follow their progress through the Student and Parent Portals.

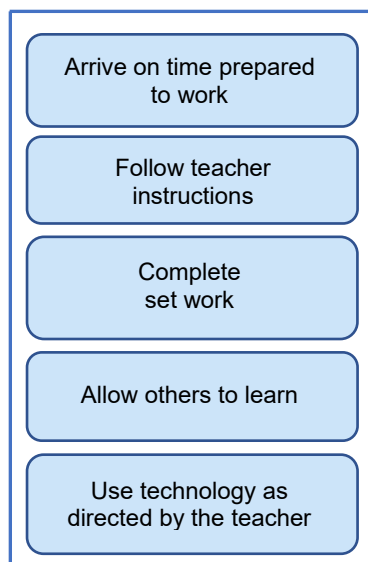

Student behaviour at Woolgoolga High School

Respect between teachers and students is paramount. We provide a positive and safe learning environment where teachers can teach and students can learn.

Classroom behaviour

Student behaviour

WHS statement:

Students learn best when in a learning environment that is inclusive, respectful and engaging. At Woolgoolga High School all students are expected to behave appropriately in the classroom, playground, at sport and when representing the school in the wider community.

Bullying

WHS statement:

Woolgoolga High rejects all forms of bullying behaviours including online, (or cyber bullying) by maintaining a commitment to providing a safe, inclusive and respectful learning community that promotes student wellbeing.

What is bullying?

Bullying is repeated, harmful behaviour by an individual or group towards one or more persons that may be physical, verbal, social or psychological in nature. Bullying generally involves a misuse of power.

Bullying can involve humiliation, domination, intimidation, victimisation and all forms of harassment including that based on gender, race, disability, socio-economic status, or sexual orientation. Bullying of any form or for any reason can have long term negative effects on those involved including bystanders.

Conflicts or fights between individuals who are equal in power and single incidents are **not** defined as bullying.

What is cyber bullying?

Cyberbullying refers to bullying through information and communication technologies such as mobile phones and social media.

Department of Education Policy: [Student Behaviour Policy](#)

Success Crowns Effort - expectations:

- Have positive and respectful relationships with all members of the school community
- Be tolerant, friendly and courteous to others
- Respect the property of others
- Report any bullying behaviours, including cyberbullying to the classroom Teacher, Year Advisor, Head Teacher or Deputy Principal
- Don't be a bystander - intervene or make a report if you feel someone else is being bullied.

Prevention and early intervention:

Woolgoolga's Wellbeing Program is designed to support students in fostering positive social interactions and in building resilience and self-confidence. Programs implemented include:

- SMILE – this program is a student led program designed to build positive connections between younger and older students. SMILE mentors undergo rigorous training in developing the skills of listening, starting conversations, building rapport and working as a team, ultimately acquiring an understanding of the importance of wellbeing to all students, whilst being mindful of the implications of child-protection issues.
- Peer support - Grafton pool day
- Year 7 Camp - students participate in team building activities to foster positive relationships
- RUOK day
- National Day of Action against Bullying and Violence.
- Kindness Card Day / Photobooth
- Rock and Water
- Cyber safety talks
- Police talks
- Identification of “at-risk” students through Wellbeing team referrals with extra support provided.

Students involved in serious behaviours may be excluded from participating in extra curricula activities or representing the school. This decision will be at the discretion of the Wellbeing team in consultation with the relevant Deputy Principal and organising teacher.

Uniform

WHS statement:

A school uniform provides our students with a sense of belonging to Woolgoolga High School and helps to create a strong identity in our community. All students are expected to consistently wear their correct school uniform with pride. Financial assistance may be available for families experiencing financial difficulties to purchase uniform.

Department of Education Policies:

[School Uniform Policy](#)

Technology use

WHS statement:

Technology is regularly used in the classroom at WHS to engage students and improve performance. There are, however, potential drawbacks as well, as they can lead to distractions. Mobile phones are now banned in all NSW public schools. Woolgoolga High School utilises a lockable pouch for all student phones and other non-approved BYOD digital devices brought into the school.

Department of Education Policies:

[Digital devices and online services for students](#)

[Student use of mobile phones in school policy](#)

Success Crowns Effort - expectations:

This could include: negotiated timetable; temporary placement in senior class; partial attendance plan; investigate alternative settings. Issue formal caution / suspension

Students involved in serious behaviours may be excluded from participating in extra curricula activities or representing the school. This decision will be at the discretion of the Wellbeing team in consultation with the relevant Deputy Principal and organising teacher.

School representation

This page outlines expectations for students to maintain eligibility to participate in extracurricular school related activities. Representing our school is a privilege earned by our students who embody our school values and principles. Students demonstrate these principles through their commitment to their studies, attendance at school and their adherence to school policies and procedures. We believe that it is important to set high expectations of students in relation to academic effort, personal presentation, attendance and behaviour in order for us to uphold our high expectations and to ensure every student has the best chance of success.

School representation includes any activity where the student represents the school. Examples include but are not limited to: student leadership, inter-school sport including representative sport, debating teams, forums, competitions and performances. Extra-curricular activities may also fall under this category and include any activity that is additional to the core curriculum being delivered. Examples include but are not limited to: special events in and out of school time, such as school socials or year level events, camps, additional courses, and specialised excursions which do not relate to the direct delivery of curriculum programs.

Students may be considered ineligible to participate in extra-curricular activities and/or represent the school if they do not meet the school's high expectations in the areas of:

Aspect	Conditions	Exclusion
Attendance	Minimum 80% attendance	Attendance below 80%
Truancy	Attends all lessons	Three or more fractional truanacies within a term
Behaviour	Follows school rules	<ul style="list-style-type: none"> For 10 school weeks after a formal caution Suspension six calendar months from the suspension date
Dress Code	Regularly wears school uniform	For 10 school weeks after the second uniform letter

Any student who demonstrates misconduct or disobedience whilst representing the school at any event may be banned from representing the school for a period of 1 term.

Sport Procedure

For the purposes of weekly sport (Wednesday afternoons), the school divides activities into two categories:

- Category A - activities that are conducted wholly on the school premises including bottom oval (Solitary Islands Sports Ground)
- Category B - activities that are conducted off-site including Wiigulga Sports Complex.

The characteristics of each category are shown in the table below:

	Location	Access for support for staff	Exposure to the public
Category A	On the school premises including bottom oval	Immediately available within walking distance	None Limited
Category B	Any other location including Wiigulga (Off-Site)	Requires phone call and >5 minutes response time	Significant

The default position is that any student in the Open Sports Program may apply to attend any category of sport. Certain exceptions apply to activities that require specific qualifications (such as a Ocean Surf Survival Award) for participation.

Due to the need to create a calm and safe learning environment, to protect the wellbeing and safety of staff and students, to support students in taking responsibility for the impact of their actions on others, and to effectively manage risks associated with off-site activities, a student may be prohibited from attending a Category B sport if they have:

- Suspension six calendar months from the suspension date
- For 10 school weeks after a formal caution.
- Three or more fractional trancies within a term.
- For 10 school weeks after the 2nd uniform letter

This is in line with our school representation procedure.

Any student who demonstrates misconduct or disobedience whilst at school sport, may be automatically banned from a category B sport.

Students restricted from Category B sports as described above must attend a Category A sport and participate in a satisfactory manner. Category A sports meet the requirement for alternate activities that provide for similar learning outcomes.

Where judgement is required as to whether or not a student meets the criteria for restricted sports access, the Head Teacher PDHPE/Deputy Principal will make the determination, informed by other staff, relevant instructors, or other members of the community.

Positive Rewards for sport selection

At Woolgoolga High School, we value and reward student commitment to our Bronze, Silver, and Gold Awards program. To recognise and encourage excellence, students who have achieved a Gold Award will have the privilege of selecting their Wednesday sport first, followed by Silver and Bronze Award recipients. This system ensures fairness while celebrating student achievements in academics, behaviour, and effort.

In accordance with the Student Behaviour Policy (2024), the school embeds positive behaviour approaches, safe and inclusive practices in all its planned activities, including school sport. The school supports the rights of all students and teachers to be treated fairly and with dignity in an environment free from intimidation, violence and harassment (2.3). Further the School seeks to create a calm and safe environment to support positive student behaviour as well as the wellbeing and safety of all students and staff (2.2).

The school notes that, in accordance with the NSW DoE Behaviour Code for Students, that all students are required to show respect to other students, their teachers and school staff and community members. It is also noted that the students are expected to be aware of and take responsibility for how their behaviour and actions impact others and to be safe and help others make safe choices that do not hurt themselves or others.

The school (through its School Representation/Excursions Procedures) requires that risk assessments be conducted, and risk management plans be developed before excursions are approved. The Excursions Procedures also allows for students to be denied the opportunity to participate in an excursion where exceptional circumstances exist and that, where such circumstances exist, alternate activities must be available that provide for similar learning outcomes.

At Woolgoolga High School we provide quality education for all our students, taking into account their age, background, ability and interests. We help our students to become self-directed, lifelong learners who can create a positive future for themselves and the wider community.

Woolgoolga High School is situated in a unique, natural environment and it is here that every student can learn and grow with confidence.
