

DRACULA SPECTULA STUDENT ORDER FORM

To the Cast and Crew of Dracula Spectacula,

We have had Salt Water Productions professionally record the musical, which is now able to be purchased as a DVD for \$10. This is a wonderful keepsake for students who performed and a great gift for relatives that may have been unable to attend.

We also have a photograph CD with a few hundred images for purchase to print from. These are also able to be purchased for \$10 per CD.

If students would like to purchase both the DVD and photo CD they can have a discounted cost of \$16.

The photo CD and the DVD will be copy righted to Woolgoolga High School and if any copies are required permission will need to be sought.
