### LOCAL BUSINESSES PROVIDE INSPIRATION AT WOOLGOOLGA HIGH SCHOOL CAREERS DAY

Greg Wallace had the attention of students in the Park Ranger/Forestry Worker and Zoologist talks

Mr Guy Wright, Principal of Woolgoolga High School sincerely thanked the local business community stating, "We are most grateful for the enthusiastic support provided by employers and businesses for our unique careers program over the past several years". This year, students have had the opportunity to choose career possibilities from upwards of 110 careers. "I am grateful to all the employers on the Coffs Coast and often wider afield who are asked to be involved with this program and for making people available to provide valuable guidance to our students."

## From the Principal's Desk

"It is so important that we continually educate our students about the issues around alcohol, cigarettes, marijuana and prescription drug use".

Well done to Ally Cork of Year 7! It's great to see our students involved in so many unique CHS sporting events. To be awarded the Sub Junior Girl Champion and winning the Slalom is indeed an extraordinary effort.

Thanks to Brainstorm Productions who delivered a spellbinding presentation to all our Year 10 students last Tuesday. As Senior Constable Snow often says "It is so important that we continually educate our students about the issues around alcohol, cigarettes, marijuana and prescription drug use".

The Southern Cross University Headstart Program is now open for our Year 10 students to apply for a Year 11 start. Prior to submitting an online application, it is necessary for each student to have a discussion with myself. The course is quite onerous and is targeting our academically capable students, who for six months into Year 11 can cope with the workload of 14 units on 7 subjects. Students, please see me if interested.

There have been a few enquiries about the Year 7 Excel (Gifted and Talented) class in 2018. Primary schools will be given the application form at the beginning of Term 3. The applications need to be completed by August 28<sup>th</sup> and Super Saturday will be held on September 2<sup>nd</sup>. The application process includes a resume, a teacher/school recommendation, NAPLAN results and attendance at Super Saturday where students participate in literacy, numeracy and associated activities.

Until next time

Principal

*To Woolgoolga and Northern Beaches Chamber of Commerce:*

*On behalf of the students of Woolgoolga High School I would like to thank the Woolgoolga and Northern Beaches Chamber of Commerce and in particular the 70 individual presenters who attended our successful Careers Day, 2017. The positive relationship between the Chamber and Woolgoolga High School continues to flourish and these important industry links are mutually beneficial to our community.*

*The school, our students and their parents and care-givers are thankful to the Chamber for the ongoing support with our work experience program, which builds a bridge between education and employment.*

*I would like to acknowledge the organising committee behind the Careers Day and in particular, Ray Willing, Alistair Milroy, John Hannaford, Megan Hart, Julie-Anne Chivers and Peter Burton for the many hours of organisation that ensured a most positive and successful day. The work and support of this initiative led by the President and Vice President of the Chamber, Cherie Topfer and Tony Ross makes this valuable experience possible.*

*Your continued support for our school is greatly appreciated, and I look forward to working with the Chamber for many years to come to provide our students with the highest level of industry and employment knowledge and opportunities.*

*Sincerely yours*

*Guy Wright*

## BRAINSTORM PRODUCTIONS “CHEAP THRILLS”

On Tuesday, May 23<sup>rd</sup>, all of Year 10 were invited to be the audience for a one off travelling production from **the Brainstorm Productions** group called **“Cheap Thrills”**.

This one-man show dealt with the adolescent issues of:

- making choices
- risk taking
- responsibility and consequences
- safe partying and substance abuse such as alcohol, cigarettes, and marijuana and prescription drugs.

The actor played a 16-year-old boy and all the characters in his life - his mum and dad, his sister and his girlfriend. The production highlighted the issue of aggressive, drunk, disorderly behaviour from girls and boys and the dangers / consequences of photos being posted on Facebook or video footage ending up on YouTube.

The show was entertaining and engaged the Year 10 students for its entirety. Student and staff feedback was very positive and the school looks forward to hosting similar productions in the future as part of the Wellbeing Program.

# Careers Day

Over 220 Year 10 (and other invited) Woolgoolga High School students are involved with their 7th annual Careers Day on Wednesday 17<sup>th</sup> May 2017. School and community groups collaborated to provide access to more than 70 business delegates across a wide range of career fields. This partnership between Woolgoolga High School and the business community will significantly enhance the Year 10 Work Experience program for 160 plus students toward the end of June.

“There are a variety of career fields happening this year in which students have not previously expressed an interest. It’s very exciting to hear from our continuing speakers and many new ones as well” co-organiser Megan Hart advised.

The Woolgoolga & Northern Beaches Chamber of Commerce, Deputy Principal Iain Henderson, Teacher-Librarian Megan Hart and the then Careers Adviser, Jeff Allen were involved in the initiation of this programme in 2011. From this beginning, a remarkable and successful partnership has developed enriching the lives and providing direction and encouragement for many of our youth.

For more information concerning our Career Program please contact Peter Burton Careers Adviser Woolgoolga High School.

*Pictured top to bottom: QANTAS Flight Attendant Todd Giltinan and Deputy Principal Iain Henderson discuss future careers of students; Members of the Costas Group spoke in depth about the training expectations and job requirements in the new fields of farming and agriculture; Senior Constable Brooker provides an explanation of what a Police Officer's job entails to students; Long-term presenter at WHS Careers Day Michael Featherstone discussed the training requirements and daily life as a Veterinarian.*

*Year 7 students from the Gifted and Talented class in the Architect talk with Oliver Gee; Year 10 students listen to Martin Robinson at the Musician/Sound Engineer presentation; Andrea Hales from Woolgoolga Amcal speaking about what it means to be a Pharmacist; Detective Senior Sergeant Mark Griffith spoke to students about what a Forensic Scientist, Anatomist and Criminologist does and how to train for this interesting career ; New presenter for 2017, Tyler Walsh from Woolgoolga NRMA had students fascinated at the Diesel and Car Mechanic seminars; Fashion Designer Kylee Burton presents an interesting talk with previous projects on display*

## SOUTHERN CROSS UNIVERSITY HEAD-START PROGRAM

Online registrations for the 2018 Head-Start Program are now open. Year 10 and 11 students are encouraged to consider registration at [www.scu.edu.au/headstart](http://www.scu.edu.au/headstart)

SCU Head-Start provides an opportunity for Year 11 and 12 students (HSC or QCE) to gain direct entry and advanced standing into a variety of courses offered at Southern Cross University. Free from university fees, the program offers successful applicants the chance to gain a taste of university life, stimulates their interest in academic pursuits and enhances their educational performance and long term aspirations.

The program has been designed for students who have the academic capability to succeed at university. Applicants will be selected on merit, based on their academic performance, a personal statement and the recommendation of their Principal.

## YEAR 10 COFFS HARBOUR CAREERS EXPO

Seventy two Year 10 Woolgoolga High School students travelled to the Coffs Harbour Race-course to participate in the 12<sup>th</sup> annual Careers Expo on Thursday 25<sup>th</sup> May 2017. A total of 1500 students from 20 high schools across the Coffs-Clarence region attended to raise awareness and the aspirations of different career pathways, university courses and Try-a-Trade activities.

Throughout the day, 60 career champions showcased careers in their industry. Showcases:

- included activities and displays that assisted the interaction/engagement of students;
- demonstrate the range of occupations within the industry;
- provide information on learning pathways and support available.

The career showcases were supported by Health Careers Workshops and Professional Services Career Workshops. These workshops included 10 minute career conversations in small groups of 10-12 students.

Health Careers Workshops were arranged in conjunction with the Mid North Coast Local Health District and included the following health professions:

Aboriginal Health, Aged Services, Chiropractic Home and Community Care, Medical Radiation Science, Nursing and Midwifery, Nutrition and Dietetics, Occupational Therapy, Medicine, Paramedic Pharmacy, Physiotherapy.

Professional Services Career Workshops included the following professions:

Architecture, Accounting, Banking, Engineering, Environmental Management, Law, Surveying and Veterinary Science.

Many thanks to the Coffs Harbour City Council for sponsoring the event.

## Year 11 Community and Family Studies

Over the last four months students in Community and Family Studies have been learning about Resource Management and Individuals and Groups. With these topics we have had the opportunity to undergo practical activities that involve decision making and using resources wisely. One activity was deciding on a recipe, ordering the right amount of ingredients and having to write up a recipe. We then had to work in a group and prepare a dish in a set time frame.

# YEAR 9 FILM-MAKING WORKSHOP

On Wednesday 17<sup>th</sup> May, Year 9 photography students were lucky enough to attend a workshop aimed at inspiring and developing their skills in Film-making.

Presenters from Screenwaves and Headspace outlined the processes required to create a short film, showing young people how to write, shoot and edit their own films. They are encouraged to enter their own creations into this year's '[REC] Ya Shorts' Youth Film Festival which will be screened in September. The main aim of the festival is to foster creativity, originality in young people, whilst focusing on the importance of positive mental health.

The theme this year is CONNECTION and the Film competition is open for young people 12 – 25. There are great prizes up for grabs, including a Digital Camera Kit, courtesy of Australia's leading cinema camera company, Blackmagic Designs; Film courses with Australia's most prestigious film school, The Australian Film, Television & Radio School in Sydney and more!

The competition is open to any students (not just current Photography students). Submissions close on the 31<sup>st</sup> August, with the Finalists films exhibited in September at CEX Coffs Harbour. See the Art Department for more details.

## Years 7 & 8 Debating

A massive congratulations and well done on your first debate. Both teams showed impeccable debating skills! Thank you to Mr Blair and the audience. We couldn't have run the debate without all of you.

## ALGEBRAICS ANONYMOUS

*Support for senior students needing help with algebra*

Algebra is the language of mathematics and fluency in that language is key to your success in maths, science, engineering and many other fields.

Senior students wanting to improve their algebra can come to Algebraics Anonymous in period 4 each Wednesday in room 22. This is a relaxed and informal workshop-style setting in which we work together to make you more skilled and confident in algebra. There is no fee, entrance test or need to complete a permission note; just turn up. You can bring algebra problems you're working on in your subjects or we can work on other problems together.

If you would like more information or can't make the Wednesday session, please contact Mr Young in the maths staffroom.

# Squash Congratulations

## Just Boasting

To begin, it is probably important to explain the title. This newsletter article is about squash and a boast is a type of squash shot. There have been three squash events this term. The first was the Coffs Harbour Secondary Schools Challenge, followed by the Combined High School squash competition and the most recent was the North Coast selection trials. Woolgoolga High School students were successful in all three events.

The first photo is of Damon Striegher, Lachie Rook, Jacob Roberts and Ethan Striegher with a perpetual shield because they won the U15 competition in the Secondary Schools Challenge! This competition is open to all Coffs Harbour High Schools, both public and private. WHS has a long tradition of winning the opens division of this competition with at least six wins in a row when Tamika Saxby (who has since achieved a top 50 world ranking) was attending our school. This, however, was the first win in the U15 division. Congratulations also extend to Luke Taylor, Chase Saban, Jo Murray and Lachlan Moriz for their efforts during the competition.

The next event was the Combined High School opens competition. It was almost the same U15 team that competed in the opens division with Dempsey Sodeau moving into the team. The team progressed through to the final where they came up against far more experienced Coffs Harbour High School players. The WHS team went down in straight sets but can be proud of their efforts for coming second in the CHS zone.

The North Coast trials enabled Ethan Striegher and Lachie Rook to be selected for the U15 state trials in Sydney. Further congratulations extend to Lachie Rook who made the North Coast Opens team. He is the youngest player from Woolgoolga High School to make the team, a remarkable achievement for a student who has only just started playing and who does not even own a squash racket. We wish you the best of luck in the next events.

Special thanks to all the parents for their assistance with transport and support.

Congratulations to all.

Robert Pursch

## Congratulations Ally!

Congratulations to Ally Cork of Year 7 who represented Woolgoolga High School at the NSWCHS All-schools Canoeing Championships, held on the Nymboida River last month. Ally competed in many of the White Water Kayaking events achieving the following outstanding results:

Gold (1<sup>st</sup>)      Slalom  
Silver (2<sup>nd</sup>)      Slalom Teams, White Water Sprints  
Bronze (3<sup>rd</sup>)      Down River Race

Ally's overall performance was so impressive she was crowned the "Sub Junior Girl Champion" of the North Coast athletes.

*Well done Ally!*
