YEAR 12 GEOGRAPHY FIELD TRIP

Thursday 3rd November, HSC Geography participated in their 'Ecosystems at Risk' compulsory field study to Dorrigo National Park Rainforest Centre, focusing on their next major case study, and complementing the work done so far on the functioning and vulnerability of ecosystems. They had the opportunity to examine the world's oldest and most diverse rainforest ecosystem; its geographical location, extent and attitude; and the effects of biophysical interactions, human impacts and contemporary management practices.

It was great to be able to question a representative of the management authority about the global significance of the site, possible future impacts, and the strategies for managing these. We were also extremely fortunate to see a number of Australian Lyrebirds up close and observe their habits. We had stunning weather for the day, if a little cooler than expected, and skies were clear creating a picture-perfect view of the escarpment and out to the coast. Students now have to complete a field study report and prepare for an in-class writing task discussing the stresses, impacts and management of this fragile ecosystem.

From the Principal's Desk

"Our Year 6 to 7 Orientation Day was held this Tuesday and was an absolute success. It was an absolute pleasure to host these new students, their parents and primary school teachers. One day to get a bit more of a feel for High School and explore the exciting opportunities on offer. The mini lessons were exciting, engaging and educational. "

Over ten years ago, Woolgoolga High School was working with the Woolgoolga and Northern Beaches Chamber of Commerce on some incredibly ambitious plans to enrich the lives of young people in our school. Our Woolgoolga Careers Day was one of those ideas and it became reality in no time. Businesses and Professionals from the Northern Beaches Chamber have worked together to mentor over a thousand students throughout that time, guiding them towards and through their careers.

When we started to talk about a Multi-Purpose Facility across the Highway (as it was then), the dream was ambitious. The end result is nothing short of spectacular.

The Wiigulga Sports Complex has its open day this Saturday 3rd December, starting at 10am. Come along and see the facilities. This adds a whole new dimension to our community and facilities that Woolgoolga High school will be tapping into.

Our Year 6 to 7 Orientation Day was held this Tuesday and was an absolute success. It was an absolute pleasure to host these new students, their parents and primary school teachers. One day to get a bit more of a feel for High School and explore the exciting opportunities on offer. The mini lessons were exciting, engaging and educational. Well done to Josie Athorn, Year Advisor Yr7 2023 and the whole team who put this day together.

Our Agriculture Show team went to the Dorrigo Show last Saturday. What a great team, they are learning the ropes of raising showing and judging and with each show they build on their expertise. The show team came away with a couple of blue sashes and another unforgettable day.

Year 8 and 9 went to their Reward Excursions this week. To be eligible for representation and excursions, students need to attend, wear uniform and behave. All reports are of a great time with their classmates. A well-deserved, rewarding experience.

Many Year 10 are out on work experience. Our students benefit greatly from the support given by our local business community and we are grateful to all of the employers who have volunteered their time and experience to helping our students explore their career options. Well done to our careers team of Chris Hansen, David Youman, Emma Darbin and Craig Rutledge. Our students are fortunate to have such an experienced, dedicated support team behind them for their career and further education guidance. I know that many of these Year 10 students will have experiences that they will remember for the rest of their life and some will have opportunities that will change their lives.

There are many great things happening for our students at Woolgoolga High School. It is a fantastic school supported by a magnificent community. Ours is a fantastic school in a magnificent part of the world. Woolgoolga High School students are truly fortunate.

Mr Iain Henderson
Relieving Principal

COMING EVENTS

Mon 28 Nov to Fri 9 Dec	Year 10 Work Experience
Tue 13 Dec	Annual Presentation Assembly 9.30am
Wed 7 Dec	Attendance reward excursion

Wed 1st Feb 2023	Year 8, 9 & 10 Return to School

P&C

Outcomes from the Woolgoolga High School P&C Meeting held on Wednesday 9 November:

- ◇ Canteen prices have increased on bought products (e.g. milk, confectionary) due to product price increases.
- ◇ Thank you to all the school staff ordering fresh lunches daily from the school canteen
- ◇ The P&C has agreed to fund shirts for the school's Agricultural Show Team student members
- ◇ Yondr phone pouch inspections have been occurring at school during Week 5 and Week 6
- ◇ The use of smart watches by students to pay for canteen purchases is not permitted. Canteen purchases must be paid via cash or EFTPOS card.
- ◇ Three of the school's science labs will soon be upgraded (Lab 3, 4 & 5). This upgrade is expected to commence in the Christmas school holidays and will take around 14 weeks to complete.
- ◇ A new demountable classroom will be available for learning support for the start of Term 1, 2023

Thank you to all our P&C members who have attended meetings this year, particularly our members who have children completing their schooling journey at Woolgoolga High School in 2022 which include Mrs Hart, Ms Black and Ms Watson (P&C Secretary). We look forward to welcoming new P&C members in 2023.

SCHOOL UNIFORMS

A school uniform provides our students with a sense of belonging to Woolgoolga High School and helps to create a strong identity in our community. Uniform also assists us in keeping students safe. Being able to clearly see who is part of our student school community and who is not is essential. All students are expected to consistently wear their correct school uniform. Financial assistance may be available for families experiencing financial difficulties to purchase the school uniform.

SCHOOL UNIFORM DONATIONS

For those heading into Senior Years or Leaving our School, we would greatly appreciate Sports shorts and School polo shirts in good condition which are no longer needed will also be gratefully accepted at the front office to replenish our stock.

SCHOOL ATTENDANCE EXCURSION

Students who have achieved a high level of school attendance this year are being invited to attend an excursion to The Big Banana Fun Park on Wednesday 7 December as a reward for maintaining great attendance across 2022. Students will get to enjoy The Big Banana's Water Park and Ice Skating Rink. Those students with between 90-94% school attendance this year will pay only a \$15 fee for the excursion, and students who have achieved a school attendance level of 95% and above for the 2022 year will have their excursion fully paid for by the school. Notes have been sent home this week to successful students, and payments will need to be made by Monday 5 December. The usual conditions of school representation and excursions apply, with successful students having maintained wearing of the school uniform and consistently good behaviour throughout the year. Congratulations to all these students on achieving high school attendance this year! Please have all permission notes and monies returned to the front office by Monday 5th December

YEAR 12 FOOD TECHNOLOGY AND HOSPITALITY

Y12 food technology and hospitality students excursion to Botero's coffee roaster and Maclean Fish Co-op.

We toured the processing facilities and learnt about food safety plans, sustainability, and tried fresh seafood, coffee and cakes. Thanks to Scott from Botero's, Damien from the Co-op and all your gear staff for an informative and delicious day.

ANNUAL PRESENTATION ASSEMBLY

Our 2022 Annual Presentation Assembly will be held on Tuesday 13 December 2022 in the School Hall. Arrival time of 9.15am for a 9.30am start.

If your child is an award recipient, you will receive an invitation in the mail to attend shortly, please keep an eye out for those.

If you do receive an invite, can you please RSVP as soon as possible by phoning the Front Office on (02) 6654 1500 or via email: woolgoolga-h.school@det.nsw.edu.au

PEER READING TUTORING

If there are any Year 8 or 9 Students who are interested in being a Peer Reading Tutor in 2023 please come and see Mrs Hart or Mr Cook this week

PEER READING CHRISTMAS MORNING TEA

Over the last 13 years Library staff at Woolgoolga High have been curating the Premier's Reading Challenge (PRC) section of the Library and encouraging both staff and students to read. Over the last few years this has extended into the Peer Reading program and this year, to support classes and the COVID ILSP program. In 2022 a massive 128 students across Years 7 to 10 completed PRC, including 27 students who received Gold and Platinum awards from the NSW Premier's office for reading 4 and 7 years respectively. Again, this year, one Year 10 student will receive the NSW Premier's Medal at our Annual Presentation Assembly for 9 years of successful completion of the challenge.

In 2022 up to 76 students participated in the Peer Reading program, as Tutors or Tutees each morning in Home Group. Reading 15 minutes during Home Group each day has had positive literacy results for Tutors and Tutees and some students have formed bonds of friendship from the year-long program. On 18th November we had an end of year party and Tutors gave a book gift to their Tutees wishing them well and thanking them for their effort throughout the year. This has been a tradition in Peer Reading over the last few years that is enjoyed by all.

Congratulations to all students who are making reading a priority this year. Several events are on the horizon for 2023 to encourage students to read. Nominations for Tutors and Tutees for 2023 are being taken and any interested students (or carers of students) are encouraged to see Mrs Hart in the Library asap.

Just a reminder to record any texts read since 2nd September 2022, as these can be added to the Student Reading Record for 2023 PRC. Students are also encouraged to borrow items for holiday reading.

Happy reading everyone!

2023 SRC Students

Congratulations to the following students who were successful in gaining a place in the 2023 SRC group.

A record number of staff and student votes occurred in 2022, resulting in these students gaining their respective positions. We look forward to the leadership and enthusiasm that you bring to the role of being an SRC member.

YEAR 8 2023—Gracie Kennedy, Flynn Sallustio, Maximillian Rosenberg & Healy Marshall

YEAR 9 2023—Imogen Roworth, Noah Corner, Joseph Birkett & Oscar Sutherland

YEAR 10 2023—Ameila Stockton, Mitch Custance, Eva Witten & Charlie Murgatroyd

YEAR 11 2023—Leevon Young, Riley March, Benjamin Warden & Ebony Singh

SMILE 10th Anniversary

Our peer mentoring program – SMILE – (Support, Mentor, Inspire, Listen, Encourage) is 10 years old this year! We were honoured to have some of the students who founded the program back in 2011, Olivia Monk, Jason Brommell and Jasmine Thorpe join us on this occasion.

We were joined by past SMILE student mentors who are now teachers at WHS -Patrick Mullan and Jason Brommell, as well as key staff who supported the program from its early days, including Mrs Hall, Mrs Hart, Mr Henderson, Mr Wright, Mrs Nurm, Mr

Young, Alison Fenton, Jo Rees and Jill Fulton.

Representatives from service and community organisations who backed SMILE from the very start and continue to support it today joined us. Also in attendance were Jesse Taylor from Mission Australia and formerly of Headspace, Garry Maher formerly of Headspace, Mr Michael Hope from Woolgoolga Lions and Mrs Barbara Lawson from Coffs Harbour Quota Club.

We were delighted that some of our current Year 11 and 12 SMILE mentors, as well as some of our recently trained Year 10 mentors who are already active SMILE participants and a selection of our future SMILE mentors from Year 9 were able to celebrate with us on the day.

Our Principal, Mr Guy Wright, (currently on leave), joined us and paid tribute to all the current and past mentors.

SMILE - A program now with longevity, respect, and status- is recognised and valued within and beyond the school. SMILE is a grass roots program that has impact – there is a daily presence of SMILE in our school.

Special thanks go to our Student Support staff, Daniel Sweed, for his tireless work in making SMILE such a successful program, and his predecessor, Alison Fenton. Their dedication to the training of SMILE mentors and implementing SMILE has allowed this program to thrive over the last 10 years.

Many thanks to Jill Fulton for showcasing many of the archival SMILE pictures accumulated over the years – a treasure trove of memories!

It has been my privilege to have been part of SMILE since its inception.

Ian Cook

HT Welfare

Any parents, carers and organisations that are interested in the SMILE Program or would like to have their child mentored in the program please contact our School Support Officer Daniel Sweed on 02 6654 1500

NSW Education Parent App

The NSW Education Parent App has several new features making it even easier for parents and carers to stay in touch with the latest news and get emergency updates from school. Payments can now be easily made using the app and school newsletters can be viewed, as well as upcoming school events and the latest school news. The app is designed to streamline communication between schools and parents and carers with features such as push notifications to your phone, so you never miss any important news or an upcoming event. You will also be able to receive emergency updates such as school closures. Please download the app via the Apple Store or Google Play on your phone. For further information on the app visit [NSW Education Parent App](https://www.nsw.gov.au/parent-app).

OPEN

DORRIGO SHOW AG SHOW

Students from the Agricultural Show Team attended Dorriggo show on Saturday with their Rhode Island Red bantams. They won champion Rhode Island Red and Champion soft feather bantam (opposite sex) with a very fine rooster. Their honey exhibit won 2nd place. There was an impressive selection of cattle and students enjoyed watching the judging of these amazing animals. It was a great day up on the beautiful tablelands and we are now looking forward to next year with a number of shows to attend. This group is open to all students of Woolgoolga High School. If you have any questions please visit Mr Whitburn in the Science staffroom during break times.

CHRISTMAS READING CHALLENGE

The Literacy Team is running a Christmas Reading Challenge over these Christmas holidays.

Students are encouraged to complete all the reading items on the list and return their completed challenge, signed by themselves and their parent/carer, to Mrs. Hadlow in the English staffroom by Friday the 3rd of February.

Students are welcome to borrow books from the school library to read in the holidays or can access the Woolgoolga library between 10am and 5pm Monday to Friday and 10am-12pm on a Saturday.

Happy reading :)

- ◇ Walking Red Rock boardwalk \$3 (bus each week)
- ◇ Corindi Skate Park \$3 (bus each week)
- ◇ Soccer - Wiigulga Sport complex
- ◇ Lawn bowls \$5 each week
- ◇ Ice Skating \$12 + \$6 bus each week
- ◇ 10 pin bowling \$10 + \$6
- ◇ Paddle Boarding - Woolgoolga lake, \$3 Bus each week

YEAR 9 EXCURSION TO BRISBANE

Last Monday, Year 9 set off for their 2-day excursion as we all missed 2021's excursion due to Covid, we were just relieved to have a plan that was actually going to happen. Perhaps this is why every student was on the bus, ready to go early. But the punctuality lasted for both days - something we were very impressed with.

We had the day at Wet n Wild, the weather was great, and the riding (with lots of screaming) was a lot of fun. We quickly got to our accommodation in Brisbane, changed and were back on the bus for our Brisbane River Cruise.

Lucky for us (or unlucky for us????), the storm hit just as we departed. But within 20 minutes, the rainbows came out, and the river looked majestic. We ate (never enough food Mrs Beedie), played our music, and even a few people ended up dancing. The river meandered around Brisbane, so we saw some beautiful views and spent some time just chatting and chilling.

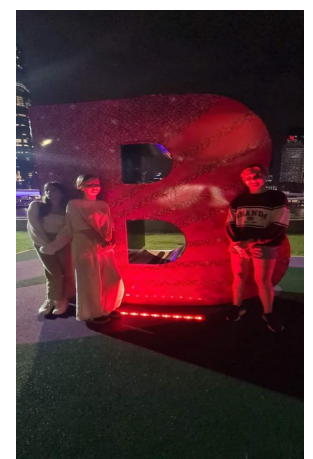

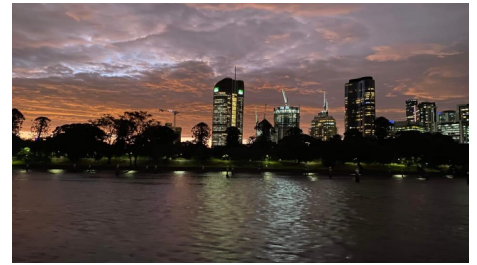

We then went to Southbank - a few cashed-up kids jumped on the Ferris wheel, and then we played around the Brisbane sign before walking home. The vending machine at the hostel made a huge profit, and we were off for showers and bed, then talking and talking and talking, then for some sleep when Mrs Beedie came and 'tucked us in' and turned out lights.

The next morning we had a huge hot breakfast and cereal before venturing to the Crank Indoor Rock Climbing Centre. Bouldering, the Ninja Parkour course and the rock wall climb all proved challenging - and while Mr Pursch and Mr Kinnamont tried to become the Crank Kings, they did not win any challenges that we are aware of!

Lunch at Maccas and off to the planetarium - the bus played up, and the teachers looked at each other wondering if we were going to be staying another night - but it came good and off to the planetarium we went. Teachers had a few guesses as to who would fall asleep - but no snoring was heard by those who napped while the rest of us had our journey out into the stars.

Our travel home, dinner at Ballina service centre (Beedie was learning to feed us all the time), and some 'great' singing (Max and John may disagree) got us home that night. Obviously, the punctuality was due to great parenting - as everyone was there on pick-up time.

Special thanks to Mr Kinnamont and Mr Pursch for giving Year 9 their 2 days as well as their relaxed, supportive presence - they brought the fun. Thank you to parents for entrusting us with your gorgeous children. Also, to the Year 9s, thank you for coming - it was wonderful. Our 2023 Year 10 (how did that happen) will be announced soon.

Music Concert

A successful Music Concert was held on Friday 18 November in Music Room 1 much to the delight of the huge number of students who attended and were thoroughly entertained. Performances were provided by I'm & Milly, Ava and Jam Jar. We had great feedback from the audience members and look forward to bringing back more concerts in the new year.

Mr Dominey

Careers

On Thursday 24 November, Ms Hansen took 7 Students from Woolgoolga High School along with 90 other students from the Coffs/ Clarence Schools on a QLD University excursion. It involved 5 QLD University Campuses with tours, workshops and presentations and also staying at the Union College Student Accommodation.

supporting young people in school holidays: practical tips for parents and carers

headspace National are hosting education sessions for parents and carers across NSW who are supporting young people during school holidays.

These sessions aim to:

- Identify challenges and opportunities of the school holiday period
- Offer practical ideas for parents and carers
- Provide information about additional support services
- Highlight the importance of self-care

Where:

Online webinars.

When:

We will be offering this session multiple times around the school holiday period. Sessions will be held at 12 - 1pm AEDT or 6 - 7pm AEDT.

Session dates will be listed on Eventbrite.

How do I register?

Click the link to register for a session via Eventbrite: <https://www.eventbrite.com.au/e/parent-and-carer-support-during-school-holidays>, or copy the URL into your web browser. Alternatively you can scan the QR code.

After registering, you'll receive a confirmation email which will include the Zoom webinar link.

You will receive a digital information pack after the session that includes key messages and links to resources and support services.

Need more information?

Email us: programsupport@headspace.org.au

headspace National Youth Mental Health Foundation is funded by the Australian Government Department of Health.

Careers

Looking to share your industry experience in the VET sector?

The Coffs Harbour and Bellingen districts are in need of people with experience or qualifications in local skill shortage areas* to deliver training and assessment services in the Vocational Education and Training (VET) sector.

To fill this demand, the Industry Training Hub – Grafton/Coffs and Pinnacle Safety and Training are offering up to 20 fully funded places in the Certificate IV in Training and Assessment (TAE40116), which is the qualification required to deliver these services.

Eligibility requirements

To be eligible for a place offer in this course, participants must be:

- Aged 18 or above.
- A resident of these local government areas: Clarence Valley Council, Coffs Harbour City Council or Bellingen Shire Council.
- Able to clearly demonstrate your attainment of a qualification and/or vocational experience in an area that reflects the local skills shortage*.
- Provide details of how your completion of the course will support the Vocational Education & Training sector in the local area.
- Willing to complete a pre-course survey and online interview. Online interviews will be held 9-12 January 2023.
- Able to attend all the face-to-face class sessions.

Course details

The course runs from 17 January 2023 to 29 March 2023 and combines face-to-face and virtual sessions.

Face-to-Face sessions

The face-to-face sessions will be delivered at a central venue in Coffs Harbour (address details to follow).

Attendance is mandatory from 8.00 am to 4.30 pm on each of the following dates.

IT Support:
Tuesday 17 January 2023
& Wednesday 18 January

Week 1:
Tuesday 31 January &
Wednesday 1 February

Week 2:
Tuesday 14 February &
Wednesday 15 February

Week 3:
Tuesday 28 February &
Wednesday 1 March

Week 4:
Tuesday 14 March &
Wednesday 15 March

Week 5:
Tuesday 28 March
Wednesday 29 March

Skilled youth, Strong industry, Productive regions

Virtual sessions

Eight additional online virtual support days will be available with the course trainer whilst participants work on their final portfolio, these are not mandatory, but highly recommended.

The online virtual support days are in place as an additional layer of assistance to participants who require help with their major portfolio. Participants will be able to log into the virtual platform between 8.00am and 4.30pm to speak with the course trainer. Participants will learn how to use the virtual platform in the IT support sessions at the commencement of the course.

Online Virtual Support is available on these days: 11, 13, 18, 20, 24, 26th April, 2nd May & 4th May 2023.

Presentation Days will be held between 9th and 12th May 2023.

Next steps

If you would like to take up this opportunity, please complete the Expression of Interest form over page and email to Kerren.law@businessnsw.com or contact the Industry Training Hub on 0490 304 755.

Applications close on Wednesday 14 December 2022.

Skills shortage areas

- Construction
- Trades (all trades)
- Health and Allied Health
- Agri Food, Horticulture, Agriculture, Rural Sciences
- Screen, Media, and Technologies
- Tourism and Hospitality
- Administration and Education.

Funding support

Industry Training Hubs are funded by the Australian Government Department of Employment and Workplace Relations.

JOB VACANCIES
