## NEWSLETTER

### YEAR 12 FINAL WEEK!

Year 12 students have been celebrating their final week of school this week by dressing up each day in a different theme.

Monday saw students dress as the opposite gender for the day and enjoy a game of Dodgeball against school staff, with girls versing boys.

Tuesday saw students come to school in their Primary School uniform or as the 1st Letter of their Name, and take on staff in a volleyball match during break time.

Wednesday saw students dress up as a Movie/Superhero Character.

The students' final week of school will end with a Movie Night on Thursday 21 September, then a Year 12 BBQ Breakfast at Woolgoolga Main Beach on Friday 22 September.

Congratulations to all our Year 12 students on your efforts during the 2023 school year, and we wish you all the best as you prepare for your upcoming HSC exams in October!

## FROM THE PRINCIPAL'S DESK

We have come to the end of another term and being Term 3, this means our Class of '23 have their last lessons today. This week the students have had a dress-up theme each day with some very creative and fun costumes being worn. I congratulate them on the positive way in which they have been celebrating while still remaining respectful of the school and the learning needs of others. Tomorrow morning they will be treated to a BBQ at Woolgoolga Beach before they head home to knuckle down and prepare for the upcoming HSC exams. I encourage them to take advantage of the holiday tutoring sessions and thank the teachers who are giving up their time to help our students achieve their best.

We have fit so much into this term with wonderful in-class and extra-curricular opportunities available to students. This means we could publish a whole magazine for our fortnightly newsletter. We recently held interviews for the award of School Medallion. There was a common theme amongst candidates that they are proud of our school and appreciate all the opportunities we provide.

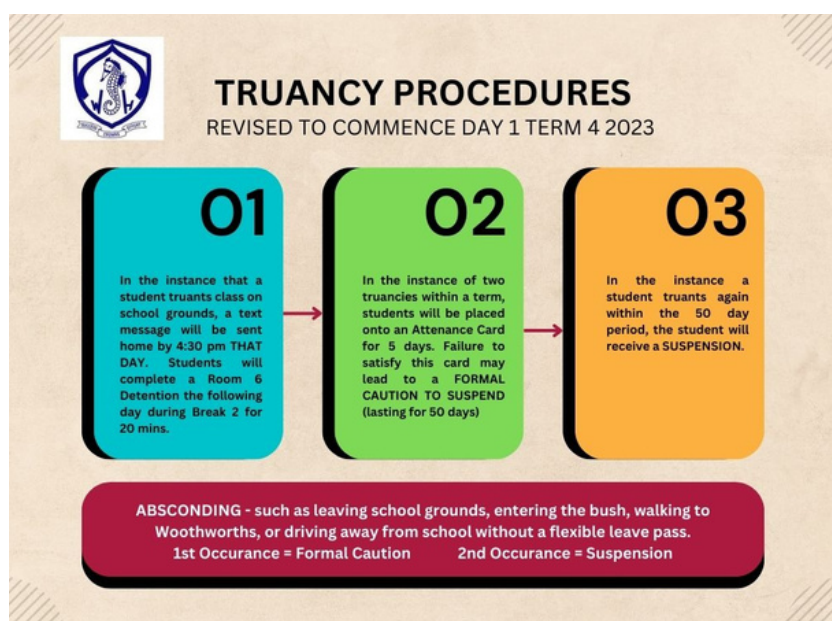

As we continue to work on improving student attendance, we will be making some changes to our procedures from the start of Term 4. This includes truancy text messages being sent home the same day the truancy occurs. If you receive one of these texts, please have a conversation with your child. We find that students are telling their parents they really were in class or with another teacher when this may not be the case. I encourage you to verify this by contacting the school. Students who leave school grounds without properly signing out with permission from home will be suspended for repeat occurrences.

I would like to thank Ms Hozack for organising our Run Beyond Project team. I am really enjoying our Tuesday morning runs and it is wonderful to see the students improve their fitness and resilience each week.

Term 4 commences on Monday 9th October. Note there is no staff development day at the start of Term 4.

The first day will be Monday A.

## REMINDER PARENTS AND CARERS

Please do NOT drive into the staff carpark in the mornings before school and in the afternoons after school to pick up or drop off your child.

It is extremely busy at this time and we would appreciate it if you could drop your child off in the designated drop-off and pick-up areas near the bus bay. Students should also enter the school via the pathways for safety reasons.

Thank you for your co-operation.

## **Extended student leave**

Parents and carers are reminded to apply for any student leave where students will be absent from school for 6 or more school days. This includes family holidays taken during the school term.

Application forms for 'extended leave-travel' are available on our school website or via the Parent Portal.

# AROUND THE SCHOOL

It was awesome to see our Year 10 students sit their PDHPE theory task in the Hall. It is great preparation for our students as they approach their Preliminary HSC year. Our students conducted themselves in a mature and responsible way. The assessment task was based around Remember the Titans and students explored concepts based on diversity and discrimination. Well done Year 10.

## RUN BEYOND PROJECT

Celebrating Our Outstanding Student Volunteers

We're excited to recognize five students from Woolgoolga High School who recently volunteered their time at the Coffs Harbour Running Festival. These students embody the values of community, resilience, goal-setting, and commitment.

Their Achievements:

Our students played a crucial role in setting up the finishing chute and shade tents at the Coffs Harbour Running Festival. Their dedication ensured the event ran smoothly.

Making a Difference:

Their efforts had a significant impact on The Run Beyond Project charity, helping raise an impressive \$7,500. This contribution will support The Run Beyond Project's goal race weekend in the Gold Coast this December where the students will take on the 12km fun run in the Gold Coast 50km event.

Our students demonstrated core values:

- Community: They actively engaged with and supported our local community.
- Resilience: Their commitment to weekly early morning training runs and volunteering showcases their determination.
- Goal Setting: They contributed to achieving a meaningful fundraising goal.
- Commitment: Their dedication to community service is commendable.

It has been a pleasure to get to know these students and watch them get stronger physically and mentally each week.

~ Heather Hozack ~

# ALL ONE UNDER THE SUN

Some of our amazing students have created an original song which was shown at our school assembly on Monday and is now available to view on YouTube.

Congratulation to students Denelias -Jaxon (DJ), Imogen, Milly, Gypsy, Olive, Keyshia, Sianna, Aleah, Tyson, Oscar, Naavalan, Healy, Ryan, Darshan and Mohammad on the song 'Freedom, Blame'!!!

(The song was created as part of the 'Change the Story project' for All One Under the Sun at Woolgoolga High School and is about youths taking on racism and what brings people together. All One Under the Sun is based on Gumbaynggirr Country)

Produced by: Grow the Music

Recorded at: Grow the Music Studio, Toormina

## STATE DANCE FESTIVAL

On Tuesday 12, WHS students Isobel Stockton, Ava Wilson, Imogen Roworth and Milly Stockton performed as members of the Mid North Coast Dance Ensemble in the State dance Festival, held at the Seymour Centre in Sydney. The State Dance Festival showcases dance education from across NSW Public Schools. The ensembles dance 'In the Dark' showcased sleek lines and shapes with contrasting fluid and sharp dynamics. This combined effort showcases the determination of students and teachers to explore the art and techniques of dance through performance.

Week 8 - 100% Attendance Draw winners were: Alyssa Twiddle, Vann Geerligs, Rahni Brock, Kiran Kandola and Paige Ludzik. Congratulations to these students on their perfect attendance in Term 3!

## RU OK DAY

R U OK? Day is our National Day of Action when we remind Australians that every day is the day to ask, 'are you OK?' and start a meaningful conversation whenever they spot the signs that someone they care about might be struggling with life.

## YEAR 10 CHILD STUDIES

The incredible Year 10 Child Studies class has spent this term learning about the impact of food choices on children's nutrition intake. They finished off the unit by researching, planning, and cooking a child-safe food that suits a Barbie party theme, while being conscious of food allergies. The class did an incredible job and Mr Murtha and Miss Burns were really proud of them!

# ACADEMIC ACHIEVEMENT CENTRE

Academic Achievement Centre has finished for Term 3.

Some of our regular Year 12's were disappointed this may be their last session. But do not despair.

🔊 Exciting News! The Academic Achievement Centre will be back in action for Term 4! 🇺🇸🌟

We're thrilled to announce that our Academic Achievement Centre will be re-opening its doors in Term 4 to continue supporting our students on their academic journeys. Get ready for another term of dedicated guidance, personalized support, and academic success.

## MORETON ISLAND EXCURSION

Week 6 Monday 13th-Friday 17th November.

Please keep your payments coming in - \$850 total.

Payment needs to be finalised by 17th October to start firming up numbers for organisation.

Students need to complete the addition waiver forms for both the Moreton Island excursion and the aqua park (link below).

## CHESS ELIMINATION

**Junior comp:** Out of a field of 20 keen competitors, two brilliant players faced off for the final game of the tournament this week. Brothers, Brynely and Talvin Harre were our Junior finalists, and after a long, careful game, Talvin was successful in capturing the title. The marathon game was very well matched with a final chase-to-the-kill in which Talvin ultimately put Brynley into checkmate. Congratulations Talvin!

**Senior comp:** Senior Semi-finalists, Joel Waasdorp and Ryder Stephens faced off against each other in a perilously fast-paced, intense game in which the field was mercilessly reduced to royalty only. Ultimately it was Joel who forced Ryder's king into a corner of submission and took the tournament. Well done to both of you, and congratulations to Joel on the win.

Winners of the junior and senior comp will have the opportunity to play each other in a bragging rights game next week.

A trophy for present and future champions is currently being fabricated to celebrate this year's winners and winners in future years. Thanks to Librarian Penny Burgess for her organisation and dedication to this fulfilling tournament.

# ENGLISH NEWS

Year 7 have been looking at Fairytales this term. Students learnt about stereotypical features of princes, princesses and villains. Classes applied this knowledge to making their own fairytale creation. Incorporating a moral, as well as narrative structure. This story is from a student in 7 Yellow.

# AGRICULTURE

We welcomed some baby lambs at the Ag Farm last Wednesday.

A big thanks to our Head Teacher of Wellbeing of students and sheep, Kate March and her husband Duan for assisting with the birthing process for 2 lambs that were non-respondant when born and their hard work got them up on their feet and moving! Both are now happy little ram lambs.

# P&C NEWS

## Outcomes from the Woolgoolga High School P&C Meeting held on Tuesday 12 September:

- New Manga and Issues in Society books (funded by the P&C) have arrived in the school library for student and staff use.
- A new Woolgoolga High School sloppy joe has been designed and negotiations are underway with Daylight Schoolwear to sell it in the school Uniform Shop.
- Artwork for display on new student phone pouches has been finalised and includes the high school logo on one side and an indigenous image on the other.
- A new Special Ed class will be created, and the school will receive a new demountable classroom and a designated Special Ed teacher for this new class.
- A live performance of the original song 'Freedom, Blame' created by our students involved in the All One Under The Sun program will take place at our Annual Presentation Assembly at the end of the year.
- Students have been weaving birds' nests for Golden-tipped bats in the local area.
- The school canteen is cooking lots of new slices daily for students and staff. There will be some canteen price changes in Term 4.
- Starting Term 4, student class truancy text messages will be issued to parents/carers at the end of each school day, instead of the following day as presently occurs, to ensure students are at school and safe and to enable parents to touch base with students about truancy on the day.
- A dedicated Student Attendance Support Officer has been employed by the school to assist with school attendance procedures.

The next P&C Meeting will be held in the school library on Wednesday 11 October. All school parents, carers and staff are welcome to attend to learn more about what is happening in our school.

New Manga books have arrived at our school library including the Demon Slayer box set, Jojo's Bizarre Adventure, Bleach box set, and Komi Can't Communicate (No.s 6-24) just in time for students to enjoy reading over the school holidays!

For our non-fiction book lovers we have new 'Issues in Society' texts for your general interest or to assist with school assignments in a variety of subjects.

Thank you to our P&C Committee for funding these new books for our students!

## Why attendance matters

When your child misses school they miss important opportunities to:

- Learn
- Build friendships
- Develop life skills

### Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight	4 weeks	Over 1 year missed
1 day per week	8 weeks	Over 2.5 years missed

### School Based Apprenticeships and Traineeships

**What are School Based Apprenticeships and Traineeships and how do they work?**

School Based Apprenticeships and Traineeships (SBATs) are a great way for you to get a head start on your career while still at school. SBATs are available to all year 10, 11 and 12 high school students in NSW.

By choosing to do an SBAT you can gain a nationally recognised qualification as part of your Higher School Certificate (HSC).

This is achieved by combining part-time work with formal training at school, TAFE NSW or another registered training organisation.

There are a range of industry opportunities available, with over 200 SBAT qualifications to choose from!

**What will I get out of an SBAT?**

A school-based apprentice will:

- Complete a stage one of an apprenticeship part-time while completing the HSC
- Work a minimum of 200 - 180 days\* in paid employment by December 31 of the HSC year
- Participate in formal training with TAFE NSW or another registered training organisation

A school-based trainee will:

- Complete a certificate I or II qualification while completing the HSC
- Work a minimum of 200 - 180 days\* in paid employment by December 31 of the HSC year
- Participate in formal training with TAFE NSW or another registered training organisation

**Can I complete an SBAT and get an ATAR?**

Yes, it is possible to complete a school-based apprenticeship or traineeship AND receive an ATAR. Talk to your Careers Counsellor, or your SBAT Engagement Officer, about your pattern of study and how an SBAT will fit into your HSC.

**How often will I go to work?**

Generally, one day per week during school terms as well as additional days during the school holidays. However this is flexible. The day and times will be negotiated between you, your school and employer.

**Will I be paid for the days I work?**

Generally, one day per week during school terms as well as additional days during the school holidays. However this is flexible. The day and times will be negotiated between you, your school and employer.

**Things to consider**

Students who take on a school-based apprenticeship or traineeship are motivated young people who don't just want to plan their future career, they want to experience it now. It's very important that you think about how you can manage your SBAT by considering:

- Is this a career I'm interested in?
- Can I balance school, work and training along with family and community commitments?
- Do I have a support network around me to help during the week? Teachers, Careers Adviser, parents/careers, friends, mentors.
- Can I make travel arrangements to get myself to work and training on time?
- If you answered YES to the questions above, an SBAT may be a great option for you.

**What happens after the HSC?**

A school-based apprentice will enter stage two of their trade qualification and continue in employment as a full-time or part-time apprentice.

A school-based trainee will be fully qualified and can begin working full-time, applying on to higher vocational Education and Training or commencing University.

**How do I get started?**

Go online:

- Decide on the occupation that interests you
- Discuss with your SBAT Engagement Officer, Careers Adviser and parents/careers about how this will work with your HSC
- Use your network to gain any work experience you can, including shadowing and exploring job search activities
- If you already have a casual job, ask your employer if they would like more information about apprenticeship, traineeship or school-based apprenticeship or traineeship.

For more information, please visit <https://education.nsw.gov.au/education-pathways/school-based-apprenticeships-and-traineeships>

## Year 10 SBAT students

Year 10 students interested in undertaking a School Based Apprenticeship or Traineeship (SBAT) during their senior years are urged to contact staff in the Careers office in the school library to discuss SBAT opportunities and to receive assistance with securing an employer during Term 4, ready to commence their SBAT at the start of Year 11. School-based apprenticeships and traineeships are a great way to set yourself up for the career you want while you're completing your HSC.

## ADF VISIT

Around 40 interested Year 10 students attended a Defence Careers Information Session presented by members of the Australian Defence Force (ADF) at school on Tuesday 18 September. Australian Air Force members Emma and Craig along with Grace from the Australian Army discussed with students the many different job roles available to undertake in the Defence Force (around 280 jobs), what the ADF does, career pathways into the ADF, the lifestyle benefits of joining the ADF, as well as the fitness standards required to join the different divisions of the ADF. Students then toured the dedicated ADF Recruitment Bus which travels to regional areas to ensure those living away from the city have the opportunity to join the Australian Defence Force.

## CAREER CORNER

A dedicated 'Career Corner' has now been set up at the back of the school Library for students to easily access Work Experience paperwork, University Guides, School Based Traineeship/Apprenticeship (SBAT) information, Current Job Vacancies via the Jobs Board, Australian Defence Force information, TAFE information, Creative Arts/Media flyers, Educational Pathways Program (EPP) information leaflets, and a folder detailing different Job Spotlights. Make sure you head down to the back corner of the library to check out our new Career Corner whenever you need any careers information!
